## HELLO FROM THE MANSE

The beginning of September traditionally sees the start of various activities beginning once again after a summer break. Life begins to get busier for parents and for children. The little ones who started school are settling down (hopefully), in their classes and not feeling too overwhelmed, and those who left primary school at the end of June have managed to find their way around Earlston High School and it doesn't feel quite as large now.

But for all our young people there will have been a change, whether it is a new school, new class teacher or even a new home. When Jesus began his ministry, he moved around from village to village, town to town, so moving is not something new. Jesus however had an important mission. He had news to tell others of a God, our God, who loved them so much. When he sent out his disciples to carry on his work, they moved around, teaching, helping people understand God's love for them, and healing people too.

One of my childhood favourite songs is based on this act of love and healing in Acts 3 from *The Message*, a Contemporary Bible translation: 'One day at three o'clock in the afternoon, Peter and John were on their way into the Temple for a prayer meeting. At the same time there was a man crippled from birth being carried up. Every day he was set down at the Temple gate, the one named Beautiful, to beg from those going into the Temple. When he saw Peter and John about to enter the Temple, he asked for a handout. Peter, with John at his side, looked him straight in the eye and said, 'Look here.' He looked up, expecting to get something from them. Peter said, 'I don't have a nickel to my name, but what I do have, I give you: In the name of Jesus Christ of Nazareth, walk!' He grabbed him by the right hand and pulled him up. In an instant his feet and ankles became firm. He jumped to his feet and walked. The man went into the Temple with them, walking back and forth, dancing and praising God. Everybody there saw him walking around and praising God. They recognized him as the one who sat begging at the Temple's Gate Beautiful and rubbed their eyes, astonished, scarcely believing what they were seeing.'

In the business of our world, the harshness and sometimes uncertainty, there is one constant, God loves you, you are all special to him, Peace be with you.

Rev Sheila

**SHOEBOX APPEAL:**

Many of you have taken part in the annual shoebox appeal organised by Blythswood Care. Last year 121,474 people received a Blythswood shoebox. Sadly the need is as great as ever this year. Leaflets for the Shoebox Appeal, this year entitled 'Make someone happy this Christmas' will appear soon in all four churches. If you have not taken part before, please give it a try. Filling the shoeboxes is good fun and they mean a great deal to the needy people in different parts of the world who receive them. To be delivered in time for Christmas, filled boxes should be handed in to churches on or before Sunday 5th November. If you have empty shoeboxes that you do not need, please recycle them by handing them in to any of the churches.

### Steps to reduce greenhouse gas

**emissions** or lessen the health impacts of  
climate change could have positive health  
effects. For example, promoting the safe  
use of public transportation and active  
movement – such as biking or walking as  
alternatives to using private vehicles – could  
reduce carbon dioxide emissions and  
improve public health. They can not only  
cut traffic injuries, but also air pollution and  
associated respiratory and cardiovascular  
diseases. Increased levels of physical activity  
can lower overall mortality rates.

## STEEPLECHASE WALK - NEWTOWN, ST BOSWELLS, MAXTON AND MERTOUN CHURCHES

Inspired by the definition of 'Steeplechase' which originated in the 18th century when horses and riders raced from one town's steeple to the next, this 7 mile walk on 13th May 2017 was organised by the churches in the Linked Charge of Maxton & Mertoun, with Newtown with St Boswells, to celebrate the history of their places of worship.

Fortified by bacon rolls at Newtown Church, 35 gallant walkers braved the first rain for weeks to walk the River Tweed path to St Boswells for lunch, to shelter from a hail shower and to visit the Parish Church and learn something of its history.

The sun enhanced the remainder of the walk, firstly alongside St Boswells Golf Course and the riverside, then under Mertoun Bridge (an option only possible during dry weather!), watching wild

life and viewing the erosion of recent years to the riverbank on Fens Haugh. The route continued up Jacob's Ladder to the site of the old St Boswells Parish Church at Benrig where a suitable sing song was enjoyed. Then on to Maxton Kirk for tea and cake and an interesting talk about some of the 1000 year old church's past.

Back to the riverside again and over the suspension bridge into Mertoun Estate. The walk finished at Mertoun Kirk, the younger 'sister' of Maxton Kirk by 25 years! A final cuppa ended an enjoyable day of fellowship and exploration.

Although not primarily intended to generate funds, the generosity of all involved raised the magnificent sum of £656 for the Charge's Tanzania fund raising venture.

## Future Focus: THE WAY AHEAD

You may remember that a series of three meetings were planned in May & June for the community and

congregations of our whole Charge (the parishes of Newtown, Maxton and Mertoun, and St Boswells) to meet under the guidance of a professional facilitator and work together through the Church of Scotland Future Focus initiative.

Approximately twenty-three members of all churches met on the three occasions and participated in mixed groups in the discussions and exercises.

**Session 1** looked at statistics from the 2011 census and provided interesting facts about the separate parishes. Each group made a pictorial map of their parish, highlighting main, commercial, municipal and leisure features. This demonstrated the places where people in the Charge meet and live in relation to the four churches.

**Session 2** involved examining the Church of Scotland's definition of a 'healthy' church: integrity, body and soul, open house, growth, local, love and care. These were ranked individually and tallied. Groups then worked on ideas for measures which would help the strongest characteristic, Love and Care and the weakest, Growth.

**Session 3** concentrated on 'Dreams for the future', and how these might be implemented.

**What Next?** The three Kirk Sessions will be meeting in the autumn, individually and together, to discuss and begin to implement the 'Dreams' under these headings:

- The Church at the centre of the community
- More involvement with young people
- Prayer is a priority
- Greater family participation

There is no quick fix, but over a period of a few years, with vision and faith, it is hoped that the health of our Charge will improve. The Kirk Sessions will report on developments in future Newsletters.

# VineTrust 'BUILD A HOUSE IN TANZANIA'

## We have built one House in Tanzania!

In 2015, the congregations of Maxton and Mertoun, Newtown and St Boswells Churches made a commitment to a 3 year fund raising programme in aid of the Vine Trust's 'Build a House in Tanzania' project. (SC017386). We pledged to raise the £3700 required to fund the building of one family home.

Thanks to the generous support of our communities, we have raised £3716 well ahead of our 3 year target!

Fund raising will continue until at least the end of the 3 years, in September 2018. Maybe we will manage another house, or at least the foundations of a second one!

The next fund raising event is detailed below! Newtown Church is still collecting 5p coins - watch out for other events. You may also donate in any of the following ways:

- small monetary donations in our 'Vine Trust House' collecting boxes which are available in all churches
- voluntary donations towards coffee provided in our churches after worship
- if you wish to make a contribution over £20, completing a Vine Trust Gift Aid form will allow them to benefit from an extra 25p for every £1 you donate (forms available in churches and from Brian Evans)
- donation by cheque, should be made payable to 'The Vine Trust Tanzania Appeal'
- donations may be made in all churches and to Brian Evans, St Boswells Church Treasurer (see page 2)
- to offer suggestions and for further information, please contact Rev Sheila Moir

## Vine Trust Quiz

Come along and exercise the old grey matter at our quiz night to be held in Newtown Community Wing on Friday 29th September at 7 p.m. as part of our fundraising to build a house in Tanzania.

There will also be a raffle and donations of prizes will be greatly appreciated. See posters for further details. We look forward to seeing you there.

The Afternoon Tea, held in front of St Boswells church in July, was enjoyed by villagers and visitors alike. The lovely sunny day enabled us to raise £210.00 for Church funds.

## ST BOSWELLS GUILD NEWS

Our annual Fairday Coffee Morning was held on Saturday 15th July. We were pleased to have several people there from the travelling community and it was well attended by the people of the charge. A very warm welcome is extended to folks in all the four villages and surrounding area to come to our Chrysanthemum Tea to be held on 12th October at 2.30 pm in the Church Hall. We will talk about the speakers who are coming during the session and the project we are supporting this session, after which tea and coffee will be served.

# Prayer

In touch.....

FATHER, YOU command us to be holy, to be whole in body, mind and spirit... but how?

JESUS, YOU said ' I and THE FATHER are one. (*John 10 v 30*), and also 'I always do those things that please MY FATHER.' (*John 8 v 29*)

JESUS, YOU finished the work YOU were given to do. YOU said on that cross 'It is finished !' and in that moment a mighty river of grace was released for all who will come in faith to YOU to receive from it. YOUR grace is greater than my sin and each day that I keep in touch with YOU, I am in touch with all that is of YOU, in touch with...

- the ability to ask for and receive forgiveness for my sins and cleansing this day and then to receive YOUR Holy SPIRIT,
- the ability to begin again,
- the ability to trust through this day and all that it contains,
- the ability to bring my difficulties to YOU so that they may become opportunities,

- the ability to resist temptation ,
- the ability to face a challenge,
- the ability to do what needs to be done this day,
- the ability to listen in love,
- the ability to share what is mine
- the ability to love with YOUR love,
- the ability to love YOUR Word, from YOU The Living Word,
- the ability to bless others,
- the ability to receive from others, and oh so much more because it is YOUR power that works within me as I walk with YOU,
- the power to do and to will YOUR will by YOUR grace, for by myself I can do nothing.

So, LORD, grant me the grace to be so flexible in YOUR Hands that I may do the things that please YOU. LORD I remind YOU of YOUR promise. YOU said that 'HE WHO has begun a good work in you will complete it to the Day of CHRIST', and I believe YOUR Word.

LORD, hear my prayer.

A 20th century prayer.

## CAFÉ THURSDAY

This summer in St Boswells Church hall we have been holding 'coffee and chat' sessions on four Thursday mornings. The idea behind this was to give people in the village the opportunity to meet up over the summer when so many other organisations are taking a break such as pensioners' groups, playgroup and nursery, lunch club etc.

Café Thursday was aimed at all age groups but we felt it was important to provide some activities for the children who came along to keep them occupied and to give their parents (or grandparents) the chance to relax and enjoy the company of others.

We got off to a slow start but on the second and third Thursdays we had around 7 or 8 children and 13 or 14 adults. This included people of all ages such as parents of young children, pensioners and some people who had newly moved into the village. This was a new venture but we feel that it was well received and supported. (At the time of writing there is one more session to go.)

Rev Sheila, Rachel and Fran were involved

with the children, toys and books were donated and they did a sterling job keeping them entertained and having fun – there was music too. A total of seven volunteers helped on a rota basis with setting up, teas, coffees etc. There was a relaxed atmosphere and a buzz of conversation and people stayed on to chat long after their second cup of coffee! There was no charge but people were very generous with donations and any surplus will go to Church funds.

We intend to review this venture and there seems to be a chance of repeating it next year.

We are grateful to everyone who supported us.
